

The GENUINE MINERAL SCIENCE TECNOLOGY

MST SCALAR ENERGY PENDANT:

Scalar energy is the energy of the future and is another application of healing energy

as nature intended. Though it is not fully understood, one cannot deny the tremendous effects it has on our biofield by promoting a positive flow of energy. This helps to maintain energy balance or repair our body that has been weakened by daily exposure to negative energy such as radiation from cell phone, television, computer, x-ray, microwave and electrical appliances. The Scalar Pendant is durable, easy to wear or carry and can even energize your drinking water.

Strength, Balance, Flexibility, Focus and Energy by many folds.

MST Scalar Energy Pendant

Almost everyone who holds this beautiful MST Scalar Energy Pendant feels the energy from it;

MST Scalar Energy Pendant contain 100% pure Volcanic Lava and professionally tested FREE from Lead (Pb), Arsenic (As), Mercury (Hg) and Cadmium (Cd).

By wearing a MST Scalar Energy pendant all the time, you will be feeling of peace and calm.

you are simply effortlessly raising your vibratory frequency, directly connecting you to your higher self.

The highly-refined energy generated by the MST Scalar Energy Pendant is the same used by practitioner of Feng Shui in Tibet and China. Known as the Sap in the Kabala Tree of Life, the energy has been linked throughout the ages with higher states of consciousness, abundance and longevity.

Scalar Energy Pendant utilizes specialized quantum physics, geometry and vibration harnessing technologies to help synergize the power of the human body's bio-energy system and allows it to run with optimum performance. Known as chi, or life force energy in some cultures, it runs through meridian points in our body.

The MST Scalar Energy Pendant's technology actually helps to repel interference frequencies that block the free flow of this energy throughout the body. Similar to upping the watts in a light bulb ... the Energy Pendant helps to instantly and dramatically increase the connectivity, flow and communication of your energy system! By simply wearing the Pendant, you will experience a charge of mental focus, strength and endurance of mind-blowing proportions! You simply can't believe how powerful it is.

Detailed Product Description

MST Scalar Energy Pendant is a natural energy generating device which improves metabolic and circulatory functions of the body to achieve optimal holistic health. The Stone energy is volcanic eruption after igneous rock form by magma, which after years of wind and rain water, produces active energy ingredients inside. Using advance technology and combined nanotechnology and heat fusion methods for the pendant, It is able to produce and regulate energy level suitable to human form. It works by radiating natural energy which has definite positive effects on the body including.

- Is rich of trace elements that naturally effective balance meridian system and stabilize human's bio-field
- Increasing the energy level of every single cell in the body facilitating the entry nutrients and elimination of wastes from the cells.

- Help your cells return to their 'rhythm of life' and regain their ability to repair themselves.
- Converting the water in the body to become smaller molecules (micro-clusters) which has better dissolving, cleansing and healing powers. Increase trans membrane potential.
- Neutralizing the harmful effects of external electro-magnetic radiation.
- Reduce Inflammation.

Regular exposure to the Energy Pendant :

- increase the energy covalent level of every single hydrogen atom in the body . This is significant because covalent hydrogen bonds are what hold your DNA together.
- improve cell wall permeability, facilitating the intake of nutrients into each and every cell and the elimination of waste from reduced size of water molecules.
- decrease the surface tension bodies ultimately carried, the water molecules thereby significantly reducing the time required for your body to assimilate nutrients.
- cleanse the blood of toxins
- eliminate and nullify the effects of man made frequencies in the human body
eg: computers, handphone & other electrical appliances.
- improve mental focus (as demonstrated by increased amplitude of EEG frequencies).
- Slow down ageing process
- work as an antidepressant.
- improve immune function.
- increases oxygen supply to blood stream
- calm the body and reduce stress level , headaches and migraine
- Improve on digestive discomfort, constipation , help ease conditioning gastrointestinal tract and accelerate burning of fat.

- Ultimately improved on your lifestyles

Volcanic Lava Stone/Pendant For Energy Healing & Water Energising.

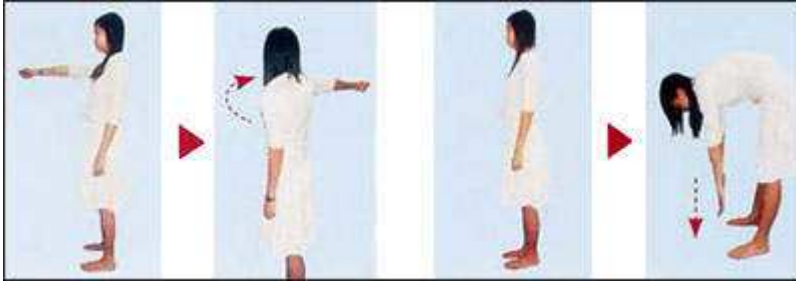

Energizing Water: Place the pendant underneath a glass or water container to energize the water (at least 20 minutes for every 500ml of water). Energized water can be used for drinking ,washing, bathing or for watering the plants.

* Although it is not typical, some individuals may experience some initial discomfort (head heaviness, light dizziness,etc.). If this happens, remove the pendant and try wearing it only for a few minutes a day, gradually extending your wear-time over a couple of days/weeks. Alternatively,you can try placing the pendant in a pocket below your waist. After a few weeks, you may then attempt to wear the pendant around your neck.

* Because it tends to increase alertness and energy levels, some people may have a hard time falling asleep while wearing the pendant. If this happens to you, try removing the pendant 4-5 hours before bedtime.

* if you feel that the pendant has somewhat "lost" its efficacy after wearing it for an extended period of time, remove the pendant. Wear it again after a week to enjoy its benefits again.

Why it is important for people to wear an Scalar Energy Pendant!

The Scalar Energy Pendant have been energized to emit a higher frequency of bio-energy back into the body thereby stimulating the cells to vibrate, oscillate more effectively. Far-Infra red properties in the Pendants may then further assist with improving blood circulation an important precursor to good health.

Modern people are surrounded with EMF radiations at home and at work:

- Computers or TV
- Air conditioners
- Microwave ovens
- Wireless Antennas and Routers
- Cell Phones & Towers
- Powerlines
- Hair Dryers
- Wall Wires, etc.

Health Concerns possibly caused by EMF radiations:

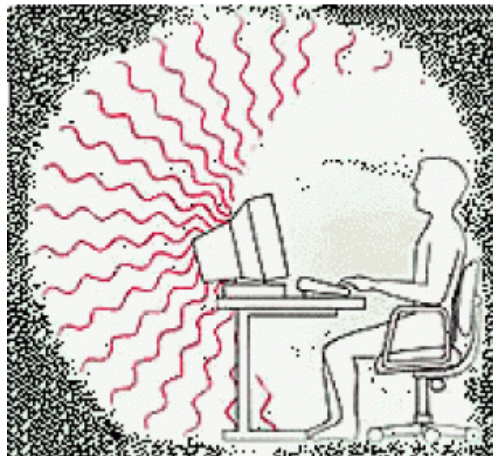

- Headaches
- Memory loss
- Stress
- Weakness & low energy
- Arm and leg tingling
- Dizziness
- Difficulty in concentrating
- Nausea
- Medical conditions worsening
- Alzheimer's disease, cancer etc.
- Strengthen the body's bio-energy field to protect from harmful electromagnetic waves

EMF Activity WITHOUT a Scalar Energy Pendant

Watch Strength Test how the Scalar Energy Pendant Neutralizes the effect of the EMFs from a Cell Phone!

Wear Scalar Pendant over the neck, or place it directly on the affected body parts (e.g. knee, back, shoulder, ankle, etc.) to relieve stiffness and soreness.

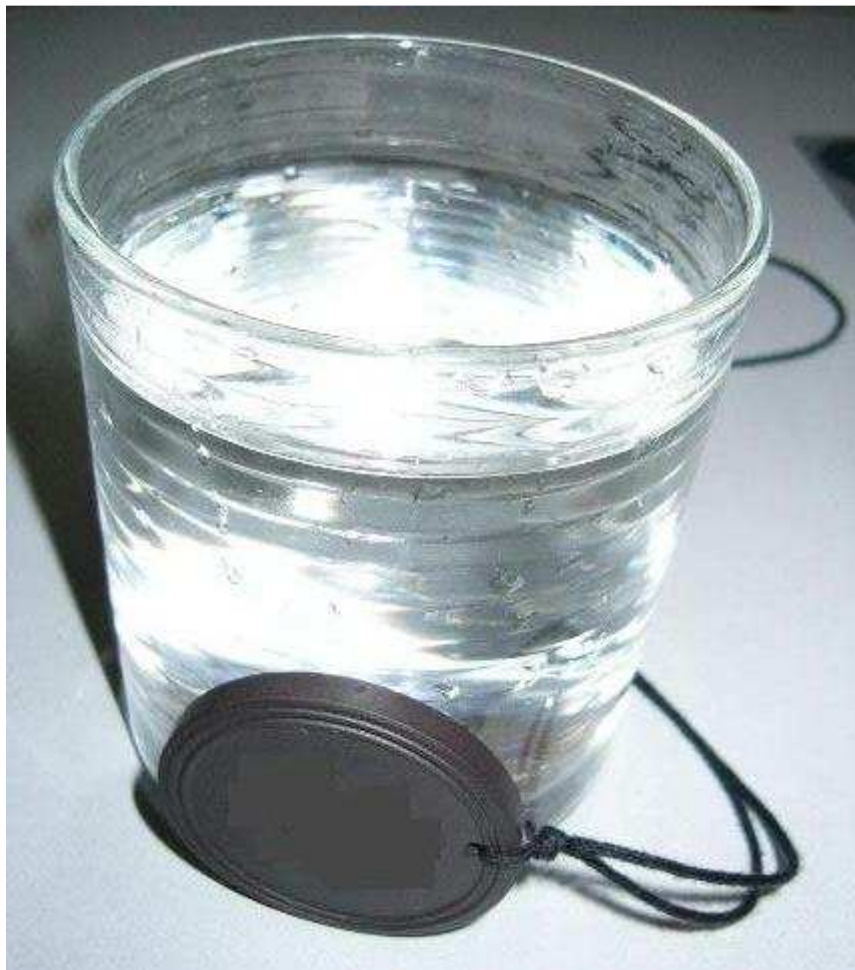

- Place it over the forehead for headache and relaxation
- Place it over the abdomen for stomachache and period pain
-

Scalar Pendant turns the water in your body into healthy, energized, small-clustered waters!

Scalar Pendant does more than just break down the water molecules and energizing your drinking water. When you wear it, it keeps the water in your body grouped into small cell-penetrating clusters. These tiny clusters of water easily pass through cell membranes, carrying nutrients & oxygen into cells, and waste & toxins out. This easy passage of water into and out of our cells is what keep the cells clean, young and healthy.

Every member of the family should be wearing the Scalar Energy Pendants.

Volcanic Lava Stone/Pendant For Energy Healing & Water Energising.

Energizing Water: Place the pendant or volcanic lava stone underneath a glass or water container to energize the water (at least 20 minutes for every 500ml of water). Energized water can be used for drinking ,washing, bathing or for watering the plants.

* Although it is not typical, some individuals may experience some initial discomfort (head heaviness, light dizziness,etc.). If this happens, remove the pendant and try wearing it only for a few minutes a day, gradually extending your wear-time over a couple of days/weeks. Alternatively, you can try placing the pendant in a pocket below your waist. After a few weeks, you may then attempt to wear the pendant around your neck.

* Because it tends to increase alertness and energy levels, some people may have a hard time falling asleep while wearing the pendant. If this happens to you, try removing the pendant 4-5 hours before bedtime.

* if you feel that the pendant has somewhat "lost" its efficacy after wearing it for an extended period of time, remove the pendant. Wear it again after a week to enjoy its benefits again.
